

INSTILL GLOBAL COMPETENCE IN YOUR STUDENTS

The GCI Seminar, from July 26 - 31, 2022 at the University of St Andrews in Scotland, is a 6-day residential program for secondary school educators and administrators.

- Explore how to facilitate **powerful communication skills**—active listening, critical thinking, self-reflection, respectful debate—through the Harkness® discussion-based learning methodology from Phillips Exeter Academy faculty
- Learn the basics of Design Thinking, the **innovative problem-solving** framework that focuses on better understanding and empathizing with the communities whose needs are meant to be addressed, resulting in more effective, appropriate solutions
- Hear from **inspirational speakers** on topics related to social entrepreneurship, leadership, ethics and global citizenship
- Share classroom experiences, best practices, challenges and insights while establishing **meaningful relationships** with other educators from around the globe

Harkness® is a registered trademark of Phillips Exeter Academy
