

# Fernando Reimers

*United States  
Chair of Strategic Planning  
Committee of the Massachusetts  
Board of Higher Education*

Professor Reimers is an expert in the field of Global Education whose research, numerous publications and teaching focus on understanding how to educate children and youth so they can thrive in the 21st century. At Harvard University, he led the development of the Master's in International Education Policy and various executive education programs.

Professor Reimers chairs the Strategic Planning Committee of the Massachusetts Board of Higher Education. He is a member of the United States Commission on UNESCO and serves on the board of Laspau, a Harvard-affiliated organization strengthening institutions of higher education in Latin America. He has served on the boards of numerous education organizations and foundations including Teach for All, World Teach, the Global Scholars Program at Bloomberg Philanthropies, Envoys, and the scholars advisory council of Facing History and Ourselves.

In 2017, Professor Reimers received the Global Citizen Award from the Committee on Teaching about the United Nations for his work advancing global citizenship education. In 2015, he was appointed the C.J. Koh Visiting Professor of Education at the National Institute of Education in Singapore in recognition of his work in global education. He received an honorary doctorate from Emerson College for his work advancing human rights education. He is a fellow of the International Academy of Education and a member of the Council of Foreign Relations.
