

Caimile Loy

*United States
Program and Communications
Coordinator*

Caimile is the Program and Communications Coordinator for GCI. During her undergraduate studies, Caimile was actively involved as the Vice President of Activity Planning for College Mentors for Kids, a program dedicated to supporting elementary-age students through mentorship and engaging activities. Before joining GCI, Caimile served as a Technical Writing Intern at HealthEdge, where she contributed to the care management solution suite, GuidingCare, by writing software documentation and release notes.

Caimile graduated from North Carolina State University with a Bachelor of Arts in English: Rhetoric and Professional Writing and minors in Spanish and Anthropology.
